TIME AND DATE CHANGE:

Football game vs Bensalem was moved to October 20th. Our Band is not going to the game due to the competition at William Tennent that day.

A Note from our Band Director:

Hello Band Parents and Members,

It seems as though we just started, but we're already over halfway through September. There have already been a few football game performances, and now we are approaching competition season.

Speaking of competition season, I have a brief message for the parents—particularly rookie parents. If this is your first experience with competitive Marching Band, here are a few bullet points about how all of this works:

*We compete in two different circuits: Local Festivals (the CR Invitational and Neshaminy) and Cavalcade of Bands (at William Tennent, Hatboro-Horsham, and Championships). In both instances, we will receive numerical scores in three categories: Music, Visual, and Overall (or General) Effect. Within each of those categories, we will be adjudicated both on the overall composition of the program, and how well the band performs (often referred to as vocabulary and excellence). The first two categories (Music and Visual) are pretty self-explanatory. The third category (Overall or General Effect) deals with how the Music and Visual components of the show work together to create an interesting, aesthetically pleasing program.

*Festivals: These events are true adjudications at which each Band receives a rating of Superior, Outstanding, Excellent, etc. independent of how the other Bands perform. Each Band's rating will be announced, but their raw score will not, as such there is no ranking. All Bands are striving to achieve the highest rating possible.

*Cavalcade of Bands: These events are more of a "head to head" competition. Each Band receives a raw numerical score and is ranked among other Bands of similar size. Each week, we are not only competing against the Bands at the competition with us, but also with every other Band in our Conference. Conferences are based on the size of the Band. This year, we are competing in the "Yankee" Conference, which includes Bands between 76-100 members. Our 92 members puts us on the larger end of that conference. This Circuit Culminates with Championships at Hershey Stadium, in Hershey, PA, on the second weekend in November. You can check out scores from around the circuit at any time on cavalcadeofbands.com

*Regardless of the Circuit, parents are encouraged to sit together and cheer vigorously for our Band or any other groups that so move you! One of the best parts about competing is being able to see other groups' performances and enjoy what they are doing to push the boundaries of what Marching Bands can do! *We will also receive a live recording of comments from each adjudicator at each competition in both circuits. These comments are an invaluable resource for continuing the growth and success of the Band throughout the season.

*It is important to note that there are very specific rules regarding synchronization rights (video recording) at marching band performances (especially Cavalcade events). Copyright laws are struggling to keep up with an increasingly online world in we share content at a faster rate every day. This has become quite a hot-button issue in the world of Marching Arts. While we can record our performances for educational and personal uses, we do not have the rights to post videos of those performances online for general consumption. As such, please refrain from posting videos of the competition show for Marching Band to YouTube, Facebook, Instagram, Snapchat, Twitter, etc. At Cavalcade events, there is only ONE official videographer for each group. All other patrons are asked to refrain from recording during the shows, and Cavalcade officials reserve the right to have violators of this policy removed from the audience. On the bright side, if you're not holding a phone in front of you, you're free to cheer more intensely for the amazing performances you'll be watching! ©

I hope you find some of this information helpful as we embark upon our competition season! Thanks for reading, and as always, feel free to contact me with comments, questions or concerns.

Musically,

Mr. B

HAWAII TRIP FUNDRAISING

We encourage all band students and families to promote all fundraisers. Primarily, they will defray our costs to transport and rent band equipment for the Hawaii Band Trip in 2019. Our Trip Treasurer, Kathy Butler, has sent out via email Invoice #4 which is due October 3.

*Drivers must be 18 years or older; \$20 per household; All proceeds go toward the CRN Marching Band Hawaii Trip Fund.

All CR-North seniors age 18+ and their parents and grandparents who complete a test drive will be entered in a raffle to win TWO FREE PROM TICKETS!!! The event will also have food and dessert concessions and free car seat checks. We need a few volunteers to help with the test drive event. Please contact Kate Kay at goalielaxmom01@gmail.com if you can help for any amount of time.

The next Hawaii fundraiser is **October 18^{th}** – BINGO / Coach Bag night. This is an *individual* fundraiser! Watch this space next month for details.

TRUNK OR TREAT

October 27th is a big day for our band! First there is the Newtown Halloween parade that steps off at 9:00am. The Student Leadership will give more information about costumes. Then, the highly anticipated Trunk-or-Treat will commence in the CR North parking lot next to the practice field. Please consider participating by decorating your car trunk (see above photos from 2018) and offering treats. A prize will be awarded to the best voted trunk! Newtown Middle School band students are encouraged to participate in these two events.

Between 9-11am the same day, please drop off your unwanted clothing, shoes, coats, backbacks and other items at the trunk-or-treat parking lot, and the band will earn \$\$\$ for every pound of items collected. Proceeds of this fundraiser go to Color Guard (see flyer below). Our collection goal is 150 bags of items!!

But wait...there's more! Students will stay at school and rehearse, and then leave from CR-North for the Neshaminy Band Competition. **The CRBPA will feed your students a light meal before leaving for the competition.** Go North!
